REGULATIONS ON CONDITIONS APPLICABLE TO PRACTICE OF A DENTIST, DENTIST SPECIALIST OR ORAL HYGIENIST

The Minister of Health and Social Services has, under section 59 of the Medical and Dental Act, 2004 (Act No. 10 of 2004), and on the recommendation of the Interim Medical and Dental Council, made the regulations set out in the Schedule.

SCHEDULE

Definitions

1. In these regulations, unless the context otherwise indicates, a word or expression defined in the Act has that meaning, and “Act” means the Medical and Dental Act, 2004 (Act No. 10 of 2004).

Clinical competency examination and skills assessment before dentist may resume active practice

2. (1) A person registered as a dentist, dentist specialist or an oral hygienist -
 - (a) who has not commenced active practice in Namibia in the professional category of his or her registration within 5 years of the date of his or her registration under the Act or a law repealed by section 65 of the Act; or
 - (b) who, at any time after his or her registration as a dentist under the Act or a law repealed by section 65 of the Act, has not been engaged in Namibia in active practice in the professional category of his or her registration for at least 5 years,

must not commence or resume practice in his or her professional category unless the requirements of subregulation (2) have been complied with and he or she has been issued by the Council with a written authority to commence or resume practice.

- (2) Before a person referred to in subregulation (1) may commence or resume practice in his or her professional category, whether for his or her own account or otherwise, he or she -
 - (a) must give notice in writing to the Council of his or her intention to commence or resume practice at least 60 days before the date on which he or she intends to commence or resume practice; and
 - (b) must, at his or her own expense, successfully complete and pass, as the Council may direct -
 - (i) a clinical competency examination approved by the Council, or
 - (ii) an evaluation as contemplated in section 20(3) of the Act; or
 - (iii) both the examination and the evaluation referred to in subparagraphs (i) and (ii).
- (3) A person who fails to successfully complete such examination or such evaluation, or both such examination and such evaluation, as the case may be, may from time to time, at intervals not shorter than 6 months, repeat such examination or such evaluation or both, as the Council on such occasion may direct.

Offence and penalty

3. A person who contravenes regulation 2(1) is guilty of an offence and liable on conviction to a fine not exceeding N\$4 000 or to imprisonment for a period not exceeding 12 months, or to both such fine and such imprisonment.

- (iii) all consumers not provided for under any of the other tariffs;

(1) Basic charge:

In respect of premises where a meter other than a prepaid meter is installed:

N\$147.50 per month or part of a month.

(2) Unit charge

(aa) In respect of premises where a meter other than a prepaid meter is installed: In addition to the basic charge, all units consumed shall be charged at N\$0,6165 per unit.

(bb) In respect of premises where a prepaid meter is installed: All units purchased for such meter shall be charged at N\$0,6118 per unit.

(3) Minimum charge

The minimum monthly charge as provided for in paragraph 5(b)(iii)(l) shall be equal to the basic charge for the installation.

(c) TARIFF II B - GENERAL

In respect of electricity supply at low or medium voltage for power and lighting purposes to all consumers as mentioned under Tariff II A, and in accordance with the wishes of the consumer: Provided that, where the summated rating of the circuit breakers required for the control of the installation exceeds 75 amperes, Tariff II B shall in any case apply.

(i) Basic charge

(a) Every consumer shall pay a monthly basic charge in accordance with the kilovolt ampere (hereinafter called the kVA) demand of the installation as follows:

1. Where a circuit breaker is installed in accordance with the wishes of the consumer, on two-thirds of the summated ampere rating of such circuit breaker(s), through which all current consumed in the installation shall pass; or
2. where a demand meter has been installed in accordance with the wishes of the consumer per kVA or portion thereof of the maximum demand, registered over a period of 30 minutes during the monthly period, by means of a thermal type kVA demand meter, through which all the current or a known portion of all current consumed in the installation shall pass: Provided that in the case of single phase connections, the installation shall be fitted with a current demand indicator, and in such cases the maximum kVA demand shall be calculated from the reading

on such indicator, and in such cases the maximum kVA demand shall be calculated from the reading in such indicator through which all current or a known portion of all current, consumed in the installation shall pass, assuming the declared voltage of 220/380 volts to be correct.

(b) The basic charge shall in all cases be N\$73.00 per kVA or portion thereof.

(ii) Unit charge

(a) In respect of premises where a meter other than a period meter is installed: In addition to the basic charge, all units consumed shall be charged at N\$0,3359 per unit.

(b) In respect of premises where a prepaid meter is installed: All units purchased for such meter shall be charged at N\$0,6118 per unit.

(d) **TARIFF III - INDUSTRIES**

In respect of the supply of power at low or medium voltage for industrial and manufacturing purposes, and to churches, libraries, schools, hospitals and flat buildings with bulk meters;

(i) Basic charge:

Every consumer shall pay a monthly basic charge calculated as follows:

(aa) Where circuit breakers have been installed in accordance with the wishes of the consumer, in order to control the demand of the installation, the charge shall be based on the summated rating of the circuit breakers and shall be charged for at the rate of N\$10.00 per ampere.

(bb) Where a kVA demand meter is installed in accordance with the wishes of the consumer, the charge shall be N\$66.35 per kVA or portion thereof, registered over any period of 30 minutes during the month by means of a thermal type demand meter: Provided that in the case of single phase connections the installation shall be fitted with a current demand indicator, and in such cases the maximum kVA demand shall be calculated from the reading of such indicator, assuming the declared voltage of 220/380 volts to be correct.

(ii) Unit Charge

(a) In respect of premises where a meter other than a prepaid meter is installed: In addition to the basic charge, all units consumed shall be charged at N\$0,3359 per unit.

(b) In respect of premises where a prepaid meter is installed: All units purchased for such meter shall be charged at N\$0,6118 per unit.

(e) **SPECIAL AGREEMENTS**

Notwithstanding any of the foregoing scales and charges, the Council may enter into special agreements with large consumers for the supply of electricity in bulk for industrial or other purposes.
