

PROTECTING THE PUBLIC THROUGH REGULATED EDUCATION AND PRACTICE !

NOTICE

EVALUATION SCHEDULE FOR 2026

The Health Professions Council of Namibia (the Council) may require an applicant seeking registration to practice a healthcare-related profession in Namibia to pass a prescribed evaluation, as per Section 34(2) of the Health Professions Act, No. 16 of 2024. This evaluation aims to assess whether the applicant possesses adequate professional knowledge, skills, and competence in their respective fields and demonstrates proficiency in the official language of Namibia. The Council hereby informs all potential applicants of the following evaluation dates:
